

REMARKS

Claims 1-12 are pending in the application and the Examiner has indicated that these claims are in condition for allowance. Applicant has amended the abstract and the related application section of the application to overcome formal matters identified by the Examiner that are not relevant to patentability. Based on the above Amendment and the following Remarks, Applicant respectfully requests that the Examiner reconsider all outstanding objections and rejections, and withdraw them. The Examiner has objected to the length of the Abstract of the Disclosure. By the foregoing amendment, the Abstract has been replaced.

Applicant believes that all of the stated grounds of objection and rejection set forth by the Examiner in the Office Action have been properly accommodated or addressed. Applicant, therefore, respectfully requests that the Examiner reconsider all presently outstanding objections and rejections and withdraw them. The Examiner is invited to telephone the undersigned representative if it is felt that an interview might be useful for any reason.

Respectfully submitted
Francois Trans
